

Roxaboxen Cards

Students are rewarded for their great behavior. When students have been seen doing something a little beyond the normal expectations they will be asked to flip their cards. Flipping their cards is a good thing! As they continue to flip their cards they will earn higher amounts of money for our Roxaboxen shopping days.

Ask your child about his or her card and if it's getting flipped!

Other Behavior

Other logical consequences will take place as needed. Behaviors will also be documented through the Warrior Way plan and documentation forms. An administrator will be involved immediately in the case of a severe behavior or a behavior that may put other children at risk
